Where quality meets style

inter-export

inter-export

is a furniture producing company from Strumica, Republic of Macedonia, founded with a private capital since 01.01.1991.

Inter-Export brings 29 years of experience in manufacturing furniture, and it is proud of having skilled and motivated team members who are highly committed to producing quality products and implementing positive change.

The company collection blends a range of materials, textures and design. The furniture is colored with eco-colors and lacquers which are fulfilling the highest eco-standards.

Essential characteristic for our company is pure flexibility in adopting market request and continuously following fashion trends in design.
